imageRUNNER®
Pro 7125VP

EXCEED EXPECTATIONS

If you've been looking for the black-and-white print production system that can take your business to the next level and help you exceed customer expectations, then look no further than the Canon imageRUNNER® Pro 7125VP digital production press.

- Deliver on-demand digital documents with image quality that rivals offset.
- Achieve the highest levels of productivity to meet the most challenging deadlines.
- Leverage extraordinary flexibility and modularity with upgradeable, open-architecture components to produce a wider array of demanding applications.
- Enjoy maximum uptime and outstanding performance with highly reliable, robust print engines.

KEEP YOUR BUSINESS GROWING

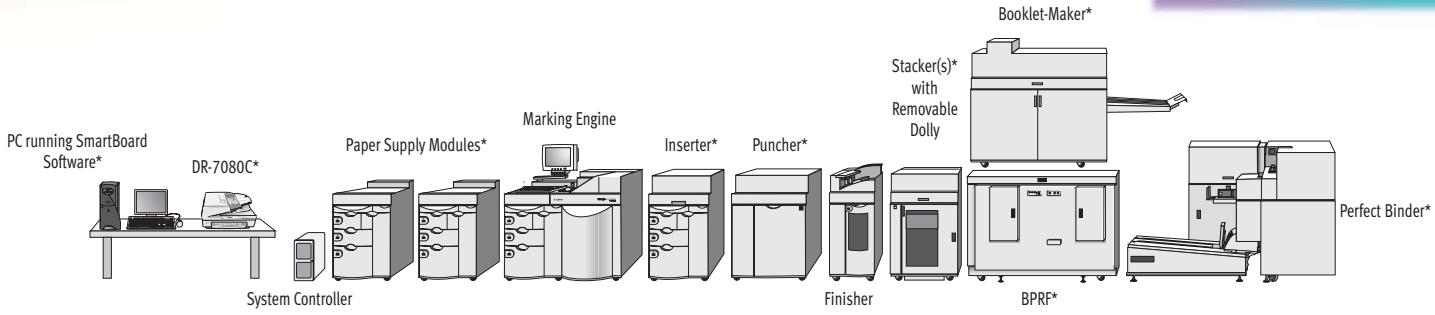

The Canon imageRUNNER Pro 7125VP digital production press is the perfect solution for your growing business. With real production power, the imageRUNNER Pro 7125VP press gives you the capacity to accept more print on demand jobs and boost overall volume. Move short-run jobs off your commercial press and produce them digitally with cost-effective image quality that rivals offset.

The imageRUNNER Pro 7125VP digital production press can also secure your competitive advantage—and become the print provider of choice for your clients—by supporting a broad range of variable data applications, expanded media choices, and sophisticated, in-line finishing options. This means you can create applications like catalogs with preprinted color covers and inserts, reports and presentations with tabs, high volume newsletters, and personalized direct mail—all of which exceed expectations and keep your clients coming back for more.

COUNT ON CANON

As the leading brand of network-connected imaging devices in the industry, Canon imageRUNNER products are known for open architectures, modular design, and reliable performance. The imageRUNNER Pro 7125VP press illustrates, once again, the Canon commitment to deliver high-quality, innovative solutions to market.

Additionally, every Canon imageRUNNER Pro 7125VP press is backed by a network of experienced dealer organizations and expert sales, service, and technical support groups. You see, at Canon we all work together to ensure that you receive the level of customer service you not only expect, but also deserve.
